Topic	Main Discussion
Evangelization Announcements	Sister Pat Glinka thanked co-leaders that signed up to help with the "Why Catholic" classes. Sister also reported that parents of the newly baptized children were invited to meet on October 22nd. Sister will determine other meetings for parents to become more involved once she sees how the first meeting goes.
Obtaining Committee Updates	Bill asked all committee liaisons to contact the committee's POC and obtain an update on each committee's status. Liaisons should also obtain a list of that committee's members.
Main Focus for Achieving the Council's Top Priorities	One of the ideas the team agreed upon to help accomplish the priorities the Council will focus on was to hold a Town Hall Meeting. This will allow the Parish Council to obtain input from many members of the church. The members of the Council agreed on the following key points: <ul style="list-style-type: none">• The meeting will be held after the holidays.• The Parish Council members will wear badges and will sit on a "panel".• The members will work on an agenda at the next meeting in November.• The members will create and will distribute flyers.• The team nominated Mary Dailey to place flyers on people's cars while Mass is in session. ☺• The meeting will be held after the 11:15 am Mass on a Sunday.• A tentative date of January 28th was decided upon, although it will be confirmed at the next meeting.• The team will determine a catchy name for the meeting (i.e. Come Let Your Voices Be Heard, Calling the Holy Spirit Church Community, Build the Parish).
Next Meeting	The next Parish Council meeting will be held on November 17, 2006 at the Parish from 6:30 to 8:30 pm.
Assignment for Next Month's Meeting	<ol style="list-style-type: none">1. Committee liaisons should obtain a status update on their committee, along with a list of all current active members so the Committees List can be updated.2. All members of the Council should think of catchy phrases and names for the Town Hall meeting to attract the community's attention. At November's meeting, the Council will work on advertisements and flyer ideas for the Town Hall meeting. Note: Some possible topics came up for discussion

	at the Town Hall meeting, though no topics were finalized. Members decided that using a topic such as that of getting the Parishes in the Community together may be too controversial and could be misinterpreted. At the next meeting, members will discuss other possible topics to discuss at the Town Hall meeting.
